Anchorage Folk Festival Board

Dear Members of the Anchorage Folk Festival Board,

I am writing to express my interest in joining the Anchorage Folk Festival Board. As a participant in the festival for the past three years, I have had the privilege of performing on stage each year, presenting guitar workshops for two years, and volunteering this year. These experiences have deepened my appreciation for the festival's role in fostering community, celebrating music, and supporting local artists. I am eager to contribute to its continued success and growth.

My increasing involvement over the last three years reflects my commitment to the festival's mission. Joining the board would be a natural next step in supporting this great event.

While this would be my first board position, I bring skills from my professional background as a project manager. I am experienced in organizing teams, managing timelines, and executing complex plans—skills I believe would be an asset in festival planning and operations. I am not currently serving on any other boards, so I can dedicate my full attention and energy to this role.

I am excited about the opportunity to contribute to the festival's future and help ensure its success for years to come. Thank you for your consideration.

Sincerely,

Tim Samuelson
